We had a school full of mini explorers for our 'We're going on a bear hunt' themed World Book Day.

The children and staff looked absolutely fabulous and a good time was had by all!

Head over to our school's Facebook and Instagram page to see all the wonderful pictures and video's from WBD and the amazing explorer costumes.

StudyBugs Attendance

We have introduced a new, more efficient and secure system for reporting your child's absence due to illness and this will be in the form of an app rather than having to call the absence line to leave a message. This is called **StudyBugs**.

We would like ALL parents and carers to download the free Studybugs app or register on the Studybugs website, and use it from now on to tell us whenever your child's ill and unable to attend school.

Use this registration link to sign up on the website—(<https://studybugs.com/about/parents>) or download the app and register there.

Top 3 reasons to use Studybugs

1. It's integrated with our systems so we know right away if your child is unaccounted for.
2. It's quick and easy to register and use and automatically reminds you to keep us posted.
3. You'll be helping the NHS and other public health organisations improve children's health. (<https://studybugs.com/about/schools>)
