WALKING DAY CANCELLED 2026

You may have already heard the news, but we would like to inform parents and carers officially that the traditional Warrington Walking Day town procession will not take place in 2026.

Due to ongoing financial pressures on the local council, the event is unable to be delivered in its usual format this year.

Instead, a smaller heritage celebration is planned to take place in Bank Park on **Saturday 4th July**, allowing the community to still recognise this important local tradition.

Due to the late notice of these changes, and the lack of sufficient time for thorough planning, risk assessments, and the securing of appropriate staffing, the school will not be participating in the event this year.

The safety and wellbeing of our pupils remains our highest priority, and we feel unable to guarantee this to the standard required under the current circumstances.

We appreciate your understanding and will continue to support and celebrate this important local tradition in future years where possible.

Friday 26th June 2026 will therefore remain a normal school day ALL pupils must attend school as usual on this day.
