Autumn Term 26
Monday 21st September
2026

Punctuality

We have noticed an increase in the number of children coming to school late in the mornings.

Morning registration is such an important and fundamental part of the day which sets the mood of the day for the children and this is also when key learning takes place.

They can order their food (if having hot dinners), add any Dojo points on the board, get to know the plan for the school day ahead, this is why it is important that your child is not late and they are seated for when the register is taken.

Can we remind all parents/carers that your child is to be in class for **08:40am**, gates open at **08:30am**. Gates are open until **08:45am**, anything after this is classed as late and your child will get a late mark.

We understand it can be a struggle in the mornings with traffic and morning set backs but please be mindful that your child needs to be in school on time to start their day off positively.

Mrs Harding

European Day of Languages

On **Friday 25th September**, school will be celebrating European day of languages!

This year's theme is: **Languages Unite!** How languages shape inclusion!

As part of this, we would like to reach out to parents/carers at home and include yourselves. We are looking for anyone at home who wouldn't mind coming into your child's class to celebrate your home culture by maybe teaching some parts of your language through songs or games and/or even bring in any props or objects from your culture that you would like to share with the children.

We are ideally hoping for two parents per class and these slots will take place in the afternoon of **Friday 25th September** for around 20 minutes.

If you would be able to help with this excellent enrichment opportunity for our children, then please respond to the form on the PING that was sent out with the language you would like to teach about and the class and your child's name. You can also phone the office to book a slot also.

Meet the Teacher

It was wonderful to see so many Parents/Carers last week for our meet the teacher sessions. We hope that you found the meetings useful and that it gave you an insight into the year ahead for your child and what they will be learning about.

We look forward to seeing more of you this week as the Meet the Teacher sessions continue for Year 6, Rec and Year 3.
